

3 Day Jinja White Water Rafting Luxury Safari

Jinja is strategically located at the Source of the Nile, where Lake Victoria flows into the famous River Nile. It is the perfect base for a wide range of activities and watersports. In addition to the famous white water rafting, you might like to try Tandem kayaking, canoeing, Stand Up paddling, fishing, birdwatching, the sunset cruise, quad biking, bungee jumping or horse riding. If you love adrenaline activities, we're sure you'll want to try some of these too!

Day 1

The transfer from Kampala to Jinja takes approximately three hours. Along the way, you may choose to stop at Mabira Forest, famous for its birds and primates.

Jinja Town is worth a visit for its fading yet still majestic colonial architecture. Jinja has a very welcoming, relaxed feel to the place. The main street is a great place for getting a good cup of coffee and buying some crafts.

Nestled in a luxuriant rainforest on its own private island, mid-stream in the mighty Nile, Wildwaters Lodge is breathtaking. Thick riverine forest naturally covers the island and each of the ten timber-floor rooms is nestled amidst the forest with private views over the River Nile and its rapids. The expansive, canvas walled, traditionally thatched rooms each boast private decks with elegant free-standing baths and wash basins carved from the local pink granite. Softly lit with hand made furniture, you can relax in comfort on this island paradise listening to the thunder of the Nile rapids, and the calls of the many species of bird who call the island.

home. Elevated wooden walkways gracefully link the rooms to the restaurant and bar area and offer an unforgettable walk through the heart of the forest.

The main lodge is located quite unbelievably on a solid rock peninsula, amidst the rapids of the River Nile. Relax here, cooled by the constant breezes from the racing rapids or plunge into the adjacent natural swimming pool, carved by the river over millennia from pink granite. This is the ultimate location to enjoy one of the last wild areas of the entire Nile. The lodge is at the heart of the newly formed Wildwaters Reserve, a group of mid-stream islands in the Nile, mostly widely recognised as the home for the legendary whitewater rafting on the Nile. They are also home to river otters, giant monitor lizards and hundreds of species of birds.

Your day will start with safety briefings, practice and more practice, before you embark on your down river adventure. The white water is exhilarating, and your nerves will soon give way to screams of laughter. A hearty lunch is provided on one of the islands in the middle of the day. This will be a day to remember.
