The many national parks and game reserves testify the natural beauty of Uganda. In the national parks of the country you can experience the real, yet untouched wilderness. The glaciers in the Ruwenzori Mountains and their formation at Lake Mutanda in southwestern Uganda are also impressive. You can get in touch with the real rural life in one of the many community projects. Not to forget the many adventure sports opportunities like Rafting, Bungee Jumping, Hiking along the River Nile. Let Uganda inspire you!

3 Day Special Murchison Falls Safari

Day 1: Depart for Murchison Falls National park

Today you will drive to Murchison Falls National Park, a protected area of over 4000 km².

You will break your journey at **Ziwa Rhino Sanctuary**, a species reintroduction programme that has successfully bred over a dozen white rhino and the only place in Uganda where you can see rhino. These docile animals are best viewed on an early morning walking safari.

Murchison Falls National Park has 76 mammal species and 451 bird species. The River Nile runs through the park and attracts Nile crocodile, hippo and the rare semi-aquatic Sitatunga antelope. Lion, leopard, elephant, buffalo, Rothschild's giraffes, warthogs, giant forest hog, Uganda kob, topi and waterbuck are just a few of the big name mammals you may see. If time allows, visit the **Top of the Falls** and feel the force of the River Nile under your feet as the half a kilometre wide river narrows to just 7 m wide and cascades down through a 45 m drop.

Red Chilli is superbly located to explore Murchison. We are at Paraa on the southern bank of the River Nile in the heart of the park. Our camp is just 500 metres from the Nile Bridge, where all vehicles cross the Nile for game drives around the Nile Delta, and from where boats can be hired for game viewing and sport fishing on the Nile – either up to the base of the falls, or down to the Nile delta at Lake Albert.

Day 2: Game drive and boat ride to the Bottom of the Falls

Your morning will start with an early morning game drive. You may choose to take a packed breakfast to eat mid-morning or eat a full breakfast upon your return to the Lodge. Admire the wildlife and birdlife of **Murchison Falls National Park** and ask your driver guide lots of questions along the way. After the game drive, you will return for lunch and an hour to use for relaxation by the pool.

One of the highlights of this Safari will be the **bottom of the Nile**.
