

3 Day Murchison Falls Safari

There is no other country in Africa – like Uganda – the “Pearl of Africa.”

In 1908, in his book *My African Journey*, Sir Winston Churchill wrote:

"For magnificence, for variety of form and colour, for profusion of brilliant life — bird, insect, reptile, beast — for vast scale — Uganda is truly "the Pearl of Africa". The Kingdom of Uganda is a fairy tale. The scenery is different, the climate is different and most of all, the people are different from anything elsewhere to be seen in the whole range of Africa..."

From its source in Lake Victoria, the River Nile crosses the Rift Valley to give Uganda a dazzling range of unique habitats. Uganda's resulting beauty, natural wonders and biodiversity have impressed generations of travelers. Visitors return for Uganda's welcoming people and temperate climate. Uganda's most coveted natural attractions include the endangered Mountain Gorilla, Chimpanzees and over 1,000 species of birds. Uganda's diverse habitats have enthralled wildlife-watchers, and seasoned African Safari-goers, for decades.

Hikers and mountain climbers congregate in the Rwenzori Mountains as well as in Mgahinga Gorilla National Park, which also boasts three major peaks. Game and bird viewing is particularly popular in Uganda's many national parks, and one of the special attractions is the tree-climbing lions of Queen Elizabeth National Park.

Yet there is so much more to Uganda: walking or quad bike safaris, mountain climbing and grade 5 white water rafting are a few of the adventure activities. Her culture of 52 tribes and their languages and dance set the country apart. A comparatively small country, Uganda has won many accolades including Lonely Planet number one destination to visit in 2012.

3 Day Murchison Falls Safari

Day 1, 13.04. Depart for Murchison Falls National park

Today you will drive to Murchison Falls National Park, a protected area of over 4000 km².

Murchison Falls National Park has 76 mammal species and 451 bird species. The River Nile runs through the park and attracts Nile crocodile, hippo and the rare semi-aquatic Sitatunga antelope. Lion, leopard, elephant, buffalo, Rothschild's giraffes, warthogs, giant forest hog, Uganda kob, topi and waterbuck are just a few of the big name mammals you may see. If time allows, visit the **Top of the Falls** and feel the force of the River Nile under your feet as the half a kilometre wide river narrows to just 7 m wide and cascades down through a 45 m drop.

Established in 1954, Paraa Safari Lodge is in Murchison Falls National Park. The lodge is located in the north west of Uganda over looking one of nature's best kept secrets, the River Nile, on its journey from its source at Lake Victoria to join Lake Albert – here it is suddenly channeled into a gorge only six meters wide, and cascades 43 meters below.

The earth literally trembles at Murchison Falls - one of the world's most powerful flows of natural water.

Paraa Safari Lodge offers a unique blend of comfort, relaxation and adventure. Each of the rooms is a haven of style and serenity, complete with balcony and private bathroom.

3 Day Murchison Falls Safari

Day 2, 14.04. Game drive and boat ride to the Bottom of the Falls

Your morning will start with an early morning game drive. You may choose to take a packed breakfast to eat mid-morning or eat a full breakfast upon your return to the Lodge. Admire the wildlife and birdlife of **Murchison Falls National Park** and ask your driver guide lots of questions along the way. After the game drive, you will return for lunch and an hour or to use relaxation by the pool.

One of the highlights of this Safari will be the boat ride to the **bottom of the Nile**.
