

5 Day Zanzibar Pongwe Beach Hotel Luxury

Dream of Zanzibar

Zanzibar has become synonymous with beautiful white sand beaches and stunning coral reefs in crystal clear waters. The archipelago consists of two larger islands – Unguja and Pemba. Where Unguja is famous for its beaches, its resorts and historic Stone Town; Pemba is sometimes known as 'The Green Island' and is known for its spice production and its pristine dive sites.

Many people come to Tanzania for their **dream safari experience**, but this idyllic archipelago offers an equally valuable opportunity for you to take a few days to unwind in Tanzania's very own slice of paradise.

Zanzibar offers you the ultimate beach and leisure experience. For those who love the sun, sand and surf – Zanzibar is a perfect escape.

turquoise waters and shady palm trees – the perfect holiday destination! We pride ourselves on running one of Zanzibar’s most relaxing hotels with a stress free environment in a stunning location.

Our restaurant offers a variety of meals with fresh seafood and fish available daily; while still being small enough to cater for all dietary requirements. Our bar stocks local and imported drinks as well as making daily fresh juices and cocktails – perfect for enjoying next to the infinity pool.

We have three different room types spread around our property; some on the white sands and others within the well tended tropical gardens. All our rooms are tastefully decorated in authentic African art and offer a range of facilities while still incorporating our eco-friendly principles. Our suites offer a stunning private plunge pool – what more can you need on your Zanzibar holiday.

We opened our Zanzibar hotel over 15 years ago and we are proud to have worked with the local Zanzibari community from then and till today. We still source most of our foodstuffs and building materials from the nearby villages. Through working
