

6 Days Special Chimpanzees and Gorillas in Uganda Budget

Highlights of this Tour

- Watch the lively chimpanzees feeding and playing in the Forest
- Find the tree climbing lions in Ishasha
- Close encounter with the mystic Mountain Gorillas
- Comfortable mid range accommodation

The many national parks and game reserves testify the natural beauty of Uganda. In the national parks of the country you can experience the real, yet untouched wilderness. There you will find an extraordinary biodiversity, where mountain gorillas and chimpanzees live beside Sitatunga antelope and forest elephant. The glaciers in the Ruwenzori Mountains and their formation at Lake Mutanda in southwestern Uganda are also impressive. You can get in touch with the real rural life in one of the many community projects. Not to forget the many adventure sports opportunities like Rafting, Bungee Jumping, Hiking along the River Nile. Let Uganda inspire you!

Day 3 Chimpanzee Tracking in the Jungle (Kibale National Park)

After breakfast, we report to the Ranger Headquarters of the **Kibale Forest National Park** at 8 AM to set out to find the **chimpanzees** living there. It's great fun to watch this active apes play and romp in the fruit trees.

The experienced ranger will introduce you to the various family members of the chimpanzee family and show you many more inhabitants of the forest. As you walk through the forest on small trails, you will be told how the locals use the woodland plants, e.g. also to combat some diseases. Even the elusive forest elephant, which is smaller and bears more coat than its brother from the savannah, moves in the Kibale Forest. Sometimes even large mammals such as buffalo, large forest pigs and various antelope species can be admired.

In the afternoon we make our way to the Southern Sector of Queen Elizabeth

A well-known route leads through the Kasenyi sector, which is famous for its lions, Elephants, antelopes, warthogs, baboons and sometimes even hyenas can be admired here. If you are very lucky, you will discover the big forest pig, Africa's largest pig. Keep your eyes open! After your safari, head back to your lodge for a few hours at the poolside and for lunch.

Then later we will explore the Southern Sector of the park called Ishasha to find the tree climbing lions.

Day 4 Depart for Bwindi Impenetrable Forest

Today we drive to the Bwindi Impenetrable Forest and on the way take a short game drive through Ishasha, the southern sector of Queen Elizabeth National Park. On the vast plains of the Ishasha you will find a famous inhabitant, the tree-climbing lion. A sighting is not guaranteed; however, in the large low-hanging Fig Trees of Ishasha are far better chances to see the lion, than in the rest of Africa.

Bwindi Impenetrable National Park is regarded as a UNESCO-Natural-World-Heritage and is one of the richest biological and botanical regions in the world.

With its south-west position at the edge of the western Rift-Valley, this forest covers 331 km².

The treasures of Bwindi are the approx. **400 wild Mountain gorillas**. They contribute to about half of the world population of these gentle human apes.

Day 5 In touch with the Gorillas in Bwindi

Get up very early for your gorilla tracking and have a well-balanced breakfast in preparation for the day. After the registration at the Uganda Wildlife Authority Ranger Station and a short briefing, your incredible gorilla tracking starts.

Once you've located the gorilla family you'll be asked to leave all your belongings behind and slowly approach these gentle giants armed with only your camera. The guide interprets the behavior of the animals for you. Females and their young ones, young males and even the dominant silverback can be seen feeding, playing and interacting with each other or just relaxing! You will never forget this experience with the gorillas. You can be sure that they are very curious to see you. You have exactly one hour with the gorillas before you return to the base station.

After the exciting encounter with the gorillas you will return to the village. In the afternoon, you will have the opportunity to see the Batwa, the indigenous people of the forest,
